

University Academic Policies

1. Attendance Policy

1.1 Minimum Attendance Requirement

All students enrolled in undergraduate and postgraduate programs are required to maintain a minimum attendance of 70% in each course per semester.

Attendance is calculated based on the total number of scheduled classes for each course.

1.2 Attendance Tracking

Attendance is recorded by the course instructor at the beginning of each scheduled class. Students arriving more than 15 minutes after the scheduled start time are marked absent.

1.3 Consequences of Non-Compliance

Students who fail to meet the 70% minimum attendance requirement in any course will be deemed ineligible to appear in the end-semester examination for that course.

Such students must re-register for the course in the following semester.

1.4 Attendance Exceptions

The following exceptions may be granted upon application to the Dean of Student Affairs:

- Medical leave (supported by valid medical certificate): Up to 15% relaxation
- Participation in university-approved events: Up to 10% relaxation
- Students with disabilities: Reasonable accommodations as determined by the Disability Services Office

Medical leave exceptions require documentation submitted within 7 days of return to class.

2. Examination Eligibility

2.1 Eligibility Requirements

To be eligible to appear in end-semester examinations, a student must satisfy ALL of the following:

1. Minimum 70% attendance in the respective course
2. Completion of all mandatory assignments and lab work
3. No outstanding disciplinary actions
4. Payment of all semester fees

2.2 Eligibility Verification Process

The Examination Cell verifies eligibility 14 days before the examination period begins. Students found ineligible are notified via official university email.

2.3 Appeals

Students deemed ineligible may appeal to the Academic Appeals Committee within 7 days of notification. The committee's decision is final.

3. Grading Policy

3.1 Grading Scale

Grade	Percentage	Grade Points
A+	90-100	10
A	80-89	9
B+	70-79	8
B	60-69	7
C+	50-59	6
C	45-49	5
D	40-44	4
F	Below 40	0

3.2 Minimum Passing Grade

A minimum grade of D (40%) is required to pass a course. Students receiving an F grade must repeat the course.

3.3 GPA Calculation

The Grade Point Average (GPA) is calculated as:

$$\text{GPA} = \frac{\text{Sum}(\text{Course Credits} \times \text{Grade Points})}{\text{Total Credits Attempted}}$$

A minimum cumulative GPA of 5.0 is required for good academic standing.

3.4 Grade Moderation

The Moderation Committee reviews results where more than 40% of students in a course receive an F grade. The committee may recommend re-evaluation.

4. Academic Probation

4.1 Probation Criteria

A student is placed on academic probation when:

1. Their cumulative GPA falls below 5.0 for two consecutive semesters, OR
2. They fail more than 50% of their enrolled courses in any semester, OR
3. They are found in violation of academic integrity policies

4.2 Probation Consequences

Students on academic probation:

- Cannot hold positions in student organizations
- Cannot represent the university in extracurricular competitions
- Must attend mandatory academic counseling sessions
- Are limited to a maximum of 5 courses per semester (reduced from normal maximum of 7)
- Are ineligible for merit-based scholarships

4.3 Probation Duration and Removal

Academic probation lasts for a minimum of one semester. A student is removed from probation when their cumulative GPA reaches 5.0 or above.

4.4 Dismissal

Students who remain on academic probation for three consecutive semesters are subject to academic dismissal. The Dismissal Review Board evaluates each case individually.

Dismissed students may apply for re-admission after a minimum gap of one academic year.

5. Course Registration

5.1 Registration Requirements

Students must complete course registration during the designated registration period. Late registration incurs a penalty fee.

5.2 Prerequisites

Students cannot register for a course unless all prerequisite courses have been passed (minimum grade D).

5.3 Credit Load

- Regular students: Minimum 4 courses, Maximum 7 courses per semester
- Students on academic probation: Maximum 5 courses per semester
- Final year students with remaining backlog: May register for up to 8 courses with Dean's approval

5.4 Course Withdrawal

Students may withdraw from a course within the first 4 weeks of the semester without academic penalty. Withdrawal after this period results in a W grade on the transcript.

6. Scholarship Policy

6.1 Merit Scholarship Eligibility

Students must maintain a cumulative GPA of 8.0 or above to retain merit-based scholarships.

6.2 Attendance Requirement for Scholarships

Scholarship holders must maintain a minimum attendance of 85% across all courses (higher than the standard 70% requirement).

6.3 Scholarship Revocation

Scholarships are revoked if:

1. GPA falls below 8.0
2. Attendance drops below 85%
3. Student is placed on academic probation
4. Student is found in violation of the code of conduct

Revoked scholarships cannot be reinstated in the same academic year.
